

The underdog - BMW 135i leading the 911 Turbo and Mansory DB9 on the CCC Brighton Run!

So the run to Brighton was a huge success, it saw 17 cars head down to the seaside town of Brighton, where we certainly disturbed the peace with a static rev off! The TVR Chimaera came in first with an astonishing noise, reading 124 dB!!! Even the little Abarth 595 deserves a mention reading in at just under 100dB, a mighty roar for a 1.4!
