

First of all Happy New Year to you all and sorry not to have run any meets over Christmas and the New Year!

However next weekend will see us back into the swings of things with our Pub Run on the 1st February 2015! We will depart London mid-morning and head for a leisurely drive down to Surrey / Sussex where we will enjoy a Sunday roast. Full details can be found on [here](#), so get signed up! It's always great to meet new Members and of course catch up with the rest of you!

Second of all, I know you guys normally like our pretty pictures but I wanted to draw your attention to a new piece of technology that could protect your licence! The piece of technology is the Target Blu Eye.

The Club was introduced to it at Octobers Meet and Drive by a fellow Member. In simple terms it alerts you of any emergency vehicle in close proximity, so that could be an ambulance or undercover Police car! I am sure you will all agree quite a nifty piece of kit. More information can be found [here](#) and as a CCC Member you are entitled to a £200 discount off the RRP. If you are interested in taking up this exclusive offer please drop me an email at angus@thechelseacarclub.co.uk

Anyway now for the pretty pictures of our last Meet & Drive of 2014!

We are also currently building a Club Committee therefore if anyone is interested in joining please get in touch. We aim to introduce a wide variety of events for the rest of 2015 and would like to do so with your help!

Well we look forward to seeing you all very soon!
